## Junior Full Stack Developer

*I am a Junior Full Stack Developer based in Dublin. I recently graduated with a grade of Distinction from Code Institute's Diploma in Software Development. This course was taught remotely teaching HTML, CSS, JavaScript and Python along with jQuery, Django and more. During the course I built four projects which can be seen below. Since finishing this course I have started a JavaScript course and a React course on Udemy to enhance and develop my skills. I am currently working as a Compression Operator for Pfizer however I am looking for an opportunity to change careers to the tech industry which is an area that I have always been very passionate about. I am a very hard working, detail-oriented and passionate developer and I would love a chance to join an ambitious and talented team.*

## Technical Skill Set

Languages	Databases	Frameworks / Libraries	Version Control
<ul style="list-style-type: none"><li>• JavaScript</li><li>• HTML5</li><li>• Python</li><li>• CSS3</li></ul>	<ul style="list-style-type: none"><li>• SQLite</li><li>• MongoDB</li><li>• Postgres</li><li>• MySQL</li></ul>	<ul style="list-style-type: none"><li>• Materialize</li><li>• Bootstrap</li><li>• Django</li><li>• React</li><li>• jQuery</li></ul>	<ul style="list-style-type: none"><li>• Git</li></ul>

## Personal Projects

Code Institute's course centred around four projects. These projects were designed to improve upon what we had learned up to that point in the course. For each project I had to come up with an idea to fit the brief, design wireframes which can be seen in the Github repositories and build the website. I received some guidance from a mentor who provided me with valuable advice during the building of each project.

### **Famished** - Recipe site - *HTML, CSS:*

*Github repository:* <https://github.com/farrelleoin93/Milestone-1-Recipe-Site>

*Live site:* <https://farrelleoin93.github.io/Milestone-1-Recipe-Site/>

### **Discover Vietnam**- Travel site - *HTML, CSS, JavaScript:*

*Github repository:* <https://github.com/farrelleoin93/Milestone-2>

*Live site:* <https://farrelleoin93.github.io/Milestone-2/>

### **The Seed Shelf**- Gardening site - *HTML, CSS, JavaScript, Python:*

*Github repository:* <https://github.com/farrelleoin93/milestone-3-seed-shelf>

*Live site:* <https://the-seed-shelf.herokuapp.com/>

### **12 Acres Craft Beer**- e-commerce site - *HTML, CSS, JavaScript, Python, Django:*

*Github repository:* <https://github.com/farrelleoin93/12-acres-beer>

*Live site:* <https://farrelleoin93-12-acres.herokuapp.com/>

# Professional Experience

## **Pfizer**

**July 2019 – Present**

### **Compression Operator**

I am currently working as a Compression Operator for Pfizer. This job is giving me great experience in problem solving and critical thinking. When mechanical issues arise it is up to us as operators to try and come up with a solution to the problem. This role has allowed me to improve my communication skills and has given me a lot of experience in working in a large team as part of a multinational company.

#### **Responsibilities**

- Perform risk assessment analysis and make sure everything is operating to GMP standards.
- Set up and run a compression machine to the appropriate specifications.
- Apply problem solving abilities to fix issues with the equipment.
- Perform safety walks and update systems such as SAP and LIMS.

## **IIG Hanoi, Vietnam**

**December 2016 – December 2018**

### **English Language Teacher**

I spent two years working as an English Teacher in Hanoi, Vietnam. While in this role I got a chance to work with people from a lot of different countries and cultures.

#### **Responsibilities**

- Created creative material to teach over 40 classes each week.
- Successful management of students aged 8-18, ranging from 15 – 40 students per classroom.
- Trained new teachers into their roles and how to apply IIG's teaching methods.
- Communicated and delegated work to the assistant teacher.

## **Luncheonette, Dublin**

**September 2014 – July 2016**

### **Head Barista**

I worked as the Head Barista in Luncheonette in the National College of Art and Design in Dublin.

#### **Responsibilities**

- Dealing with unexpected problems and managing extremely busy periods.
- Serving customers and ensuring that stock was well managed.
- Working well as part of a team in a very fast paced environment.

# Education

**Sept 2020 - Sept 2021**    *Code Institute - Diploma in Software Development*

**Subjects:** HTML, CSS, JavaScript, Python, jQuery, Django, SQL

**2012 - 2014**    *Primary Teaching - St. Patrick's College of Education*

**Subjects:** Psychology, Philosophy, Sociology of Education, History of Education etc

# Interests

- Drama
- Sport
- Tech
- Films
- Books
- Woodwork
